FULLY SYNTHETIC BIKE ENGINE OIL

High-Performance Fully Synthetic 4-Stroke Engine Oils Range

ENGINEERED FOR SUPERIOR PERFORMANCE

Our fully synthetic bike engine oil range is meticulously formulated to deliver exceptional protection and performance. Designed for modern 4-stroke engines, it ensures smoother rides, enhanced fuel efficiency, and long-lasting engine health.

Why Choose Our Fully Synthetic Bike Engine Oil?

- Superior Engine Protection – Minimizes wear and tear, ensuring a longer engine life.
- Enhanced Lubrication – Provides smooth and efficient performance in all conditions.
- Temperature Resilience – Performs optimally in both hot and cold climates.
- Fuel Efficiency Boost – Reduces internal friction, improving mileage.
- Sludge & Deposit Control – Keeps the engine clean and running like new.
- Designed for High Performance – Perfect for sports, commuter, and touring bikes.

Available Variants:

5W-30 Ultimate protection for high-performance engines, ensuring smooth operation in extreme temperatures

10W-30 Ideal for city rides and highway cruising, providing consistent engine performance.

10W-40 Designed for rough terrains and high-stress conditions, offering enhanced durability.

15W-40 Specially formulated for high-performance and adventure bikes, delivering superior protection in extreme conditions.

FULLY SYNTHETIC CAR ENGINE OIL

High-Performance Fully Synthetic 4-Wheeler Engine Oil Range

Advanced Protection for Modern Engines

Volubit Fully Synthetic Car Engine Oil is designed to keep your engine running smoothly, efficiently, and for longer. With superior lubrication and advanced wear protection, it ensures optimal performance in all driving conditions—whether city roads, highways, or extreme temperatures.

Why Choose Our Fully Synthetic Car Engine Oil?

- Protects Your Engine – Reduces wear and tear, extending engine life.
- Improves Fuel Efficiency – Helps save fuel with a low-friction formula.
- Performs in All Temperatures – Ensures smooth starts in cold weather and stability in heat.
- Keeps Engine Clean – Prevents sludge buildup for better performance.
- For Petrol & Diesel Engines – Meets API SP & API SP/CF standards for modern vehicles.

Available Variants:

0W-20 Ultra-low viscosity oil for maximum fuel economy and superior cold start protection.

5W-30 Ideal for city and highway driving, providing consistent engine performance.

5W-40 High-performance formulation for enhanced durability in extreme conditions.

ARMOR-SERIES – ULTIMATE PROTECTION FOR HEAVY-DUTY VEHICLES

Volubit Armor-Series Fully Synthetic Heavy-Duty Engine Oil is designed to meet the toughest demands of commercial and high-performance vehicles. With advanced formulations and extended drain intervals, it ensures superior engine protection, enhanced fuel efficiency, and long-lasting durability.

Why Choose Armor-Series Fully Synthetic Heavy-Duty Oil?

- Extended Engine Life – Reduces friction and wear, ensuring smooth engine performance.
- Non-Stop Performance – Engineered for extreme durability with up to 95,000 KM* drain interval.
- Superior Thermal Stability – Prevents oil breakdown even under high temperatures.
- Advanced Wear Protection – Keeps engines running efficiently for extended periods.
- Enhanced Fuel Economy – Optimized formulation for better mileage and reduced emissions.
- Meets API Standards (CI-4+ / CK-4 / SN) – Ensuring top-tier protection and performance.

Available Variants:

ArmorX 15W-40 API CI-4+ – 40,000 KM Guarantee*
